PROCEEDINGS

(Excerpt of sentencing hearing)

THE COURT: On the other hand, I can't go along with the government's recommendation. I mean, I know you had a little misunderstanding with Mr. Weintraub early on, but he's one of the best defense lawyers I've ever had come into my courtroom. He's made every single argument. He's been right there for you. He knows the Guidelines. He knows the implications for you. You could not have had better representation, and I think by now you know that.
